**Never Obsolete!**

I heard a story of a man in the mid 1950's entering school to study engineering. A professor told the freshmen class to buy the best slide rule they could afford. The reason: "You will be dependent on it all your professional life." Well, of course, it wasn't too long before the slide rule was replaced by the calculator. We've seen those same sorts of things in fairly recent years: 8-tracks, cassette tapes, VHS tapes, and floppy discs. Things that today we consider essential may quickly become obsolete. Tomorrow they may be discarded as antiques that cannot provide the help we need.

At least one thing from the past, however, will always be needed and never become obsolete. It is the Bible, God's Holy Word. No matter how much technological change and progress takes place, the Book will remain the one sure means for getting the right answers to the complicated questions: our origin, our purpose, our needs, and our final destination.

Psalms 119:105, "Your word is a lamp to my feet and a light to my path."

Psalms 18:30, "As for God, His way is perfect; The word of the Lord is proven; He is a shield to all who trust Him."

Psalms 119:160, "The entirety of your word is truth, and every one of your righteous judgments endures forever."

1 Peter 1:23, "For you have been born again not of seed that is perishable but imperishable, that is, through the living and abiding word of God"

*Once there was a small fishing village where, for many years, a flock of sea gulls fed on the scraps the fishermen left. All was fine and good for the sea gulls until eventually the fishing became poor, and the villagers moved down the coast to a location where fish were more plentiful. The sea gulls did not follow the fishermen and, because they had lived off the scraps of the fishermen and never learned to feed themselves, the entire flock of birds died. Believers who feed only on what others teach them are like those foolish sea gulls. "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth" (2 Timothy 2:15).*
