WHAT IS HAPPENING TO THE WORLD?

We all sympathize with the thousands of people who are affected by storms, floods, and other natural disasters. We understand that these natural occurrences are part of the world we live in. They are often called "Acts of God." Then we watch in horror as hundreds of innocent people are gunned down by a very disturbed individual who, for whatever reason decided to terrorize a peaceful concert. And all we can do is ask, "Why?"

Perhaps the following may shed some light on the "Why?" In 1854 the McGuffey's Eclectic Reader taught, warned and predicted...

If you can induce a community to doubt the genuineness and authenticity of the Scriptures; to question the reality and obligations of religion; to hesitate, undeciding, whether there be any such thing as virtue or vice; whether there be an eternal state of retribution beyond the grave; or whether there be any such being as God; you have broken down the barriers of moral virtue, and hoisted the flood gates of immorality and crime. I need not say that when a people have once done this, they can no longer exist as a tranquil and happy people. Every bond that holds society together would be ruptured; fraud and treachery would take the place of confidence between man and man; the tribunals would be scenes of bribery and injustice; avarice, perjury, ambition, and revenge would walk through the land, and render it more like the dwelling of savage beasts than the tranquil abode of civilized and Christianized men.

Is the answer to the crime and moral problem so simple that our highly educated and sophisticated society either cannot, or will not, see it? It is time we as a civilized society start identifying the disease instead of just talking about the symptoms.

We will never cure the problem of out of control crime, and immorality until we put God back in people's hearts and lives and stand firm on His Holy Word. But it must begin with those of us who claim to be God's people. You see, we are either contributing to the problem by neglect and apathy, or we are helping to solve it by faithfulness to God and His Word.

Jim Davis

Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; Speaking lies in hypocrisy; having their conscience seared with a hot iron; Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth. For every creature of God is good, and nothing to be refused, if it be received with thanksgiving: For it is sanctified by the word of God and prayer.
