# Kids Konnection

## What Is Kids Konnection?

Kids Konnection is a program of teaching for the children of the Mars Hill congregation Grades K - 6<sup>th</sup>. It is designed to assist the parents of the children in helping their children make the connection between just hearing what God wants for them and doing what God wants.

## How Will Kids Konnection Accomplish Its Goals?

Skits, puppets, songs, memorization, activities, and crafts will be utilized to teach and reinforce the lesson taught each week. The parents and adults will hear sermons each week that parallel their child's studies. The child will be encouraged weekly to apply the things taught them. Parents and adults will be encouraged to discuss and help their child act upon the things they have learned.

## When Will Kids Konnection Be held?

Kids Konnection will be held each Sunday evening beginning promptly at 6 p.m. Please ensure your child is in attendance and even a little early. There are many exciting things that will happen and you will want to ensure your child misses none of it!

## What Will The Children Be Taught?

Again, Kids Konnection is not intended to replace the teaching responsibility of the parents and adults in their lives. It is simply intended to assist. Therefore, the curriculum will be very practical. Each week the student will be taught what God desires for them and how they can be doers of it. Parents and adults will continue to encourage the children through Home Devotionals and discussions throughout the week as opportunities arise. Here Is An Example Of Things Your Child Will Learn:

**September 23<sup>rd</sup>: Why Do Children Need Parents?** This session will help the children see how important the adults and authority figure in their lives are. They students will be urged to show appreciation to these people throughout the upcoming week.

**September 30<sup>th</sup>: Why Should Children Obey Their Parents?** The students will learn the wisdom of "obey your parents in the Lord." The children will be encouraged to apply this during the upcoming week.

**October 7<sup>th</sup>: Why Do Children Need To Learn Compassion?** The children will be challenged to do more than just understand and care about how others are feeling. Compassion is more - it is trying to do something to help and even children can often do something. The children will be urged to look for opportunities during the next week to show compassion.

**October 14<sup>th</sup>: Why Do Children Need To Learn To Be Thankful?** Students will be challenged to recall things they are thankful for and to express appreciation and thankfulness for them. It is ok to say "please" and "Thank you!" This may seem like something small, but it is God's will for our lives (1 Thess. 5:18).

**October 21<sup>st</sup>: Why Do Children Need To Learn Joy?** Children will be shown that they are in control of their own emotions and challenged to not let others determine them. Children will be challenged to use self-control during the coming week.
