What Is VBS?

What images pop into your head when you hear the words VBS? Do you have fond memories? VBS stands for Vacation Bible School, and it can be a church outreach focused on giving everyone a place to learn about the Bible and to build relationships with guests from the area. If VBS has been a great experience for you as a child or adult (or both!), you are probably smiling.

What Is the Purpose of VBS?

Is VBS still relevant? The answer is actually very simple: the purpose of VBS is to teach the word of God, create outreach to the surrounding communities, and to create evangelism opportunities.

If you are not sure VBS is for you, here are a few things to consider.

1. VBS can be a short-term event with long-term results.

With a typical five-day time frame, VBS offers a chance to pull out all the stops. It's just five days (Ok, I know we've shortened it to four). But, it is only five days. I know groups who travel hundreds and hundreds of miles to do five days of such hard work in other counties. You don't have to experience the exhaustions of traveling. You can work extremely hard for five days right here in your own community. Research shows connections made during VBS result in salvations, wayward Christians come back, and potential workers for other ongoing programs in the local congregation are discovered. It is not uncommon for a member to volunteer to help for "just one week of VBS," and then wish to be used in such a capacity long-term.

2. VBS creates lasting memories.

VBS is a special event that creates memories that help lock Bible truths in a people's hearts and minds for a lifetime. Birthday parties and other special events have themes that use creativity to conjure feelings of excitement. Games, food, decorations and fun all link together in a total package. Well, VBS does the same thing. While we connect with people through VBS, the biblical truths that are taught also connect with their hearts and minds.

3. VBS is an intentional evangelistic opportunity.

This is especially true of the Adult Class in VBS 2019. The lessons will be intentionally evangelistic. The teachers have been asked to share the gospel message of how a soul is saved and encourage any who are not saved to be saved. The children's classes will lay a biblical foundation for them to build their lives upon.

4. VBS is the resource.

No one is afraid of VBS. Parents want their children to attend. Parents and adults feel comfortable attending themselves. We can use this resource to develop relationships and influence them to becoming Christians.
