## The Lord Has Need Of Him!

Jesus, on His way into Jerusalem less than a week before He was crucified, sent two disciples ahead to get a donkey colt for Him to ride into the city. Anticipating that the owner might object to the colt being taken, Jesus told the disciples to explain, "The Lord has need of him" (Luke 19:34).

I hope that one day, when I get to Heaven, I can talk to the man who owned the donkey colt Jesus rode. What went through his mind? What was he thinking at that moment?

Oh, wait! I know what he was thinking! *The Lord had need of him.* That was all that mattered. Maybe I need to adopt that perspective. There are things in my life that the Lord needs: time, talent, family, resources! Will I be like that owner?
