Do What's Right "Anyway"!

People are unreasonable, illogical, and self-centered. --Love them anyway.
If you do good, people will accuse you of ulterior motives. --Do good anyway.
If you find serenity and happiness, they may be envious. --Be happy anyway.
The good you do today may be forgotten tomorrow. --Do good anyway.
Honesty and frankness make you vulnerable. --Be frank and honest anyway.
People favor underdogs, but will follow only top dogs. --Fight for some underdogs anyway.
People may need help, but attack you if you help them. --Help people anyway.
What you build for years may be destroyed overnight. --Build anyway.
Give the world the your best & it may never be enough. --Give your best anyway.
