Never Stop Learning

At least 125 times the New Testament uses some form of the words “teach” and “doctrine.” Jesus taught; the apostles taught; other Christians taught. And if teaching is to accomplish anything good, someone must be learning!

The very word “disciple” means a learner/follower. As disciples of Jesus Christ, we must be learning His will constantly. Whoever said, “When you stop learning, you stop growing” was right!

Be assured that Satan and his crew are busy teaching lies and corruption. May it never be that we would surrender the field to them! To the contrary, we must be teaching and equipping others to teach. *“And the things that you have heard from me among many witnesses, commit these things to faithful men who will be able to teach others also”* (2 Timothy 2:2).
