There Is A Difference

When a loser makes a mistake, he says, "It wasn't my fault." When a winner makes a mistake, he says, "I was wrong." A loser says, "I'm not as bad as a lot of other people." A winner says, "I'm not as good as I ought to be." A loser tries to tear down those who are superior to him. A winner learns from those who are superior to him. A loser makes promises. A winner makes commitments.
