There are thousands of people concerning themselves about the season of Lent this spring. The individual selects something to deny themselves of during the season. Lent occurs the 40 days before the world celebrates their holiday known as Easter. The theme for Lent this year is "finding God in the chaos". The reason to celebrate the resurrection is available to us as Christians **EVERY** first day of the week as the New Testament teaches. No need to wait till Easter! However, God is easily found in the calm and also in the chaos. Just as the Magi searched for Christ, wise men still seek him. ~Thomas.
