There's an old western movie that has a bank robbery as many of them do. The robbers run from the bank with guns blazing and ride off in a cloud of dust. The bank president runs out in the street in disgust. He spies several local citizens and mostly cowboys. He exclaims to them "after em boys they're getting away ! Form a posse and Hunt em Down ! "

They stand stock still. Finally one old cowboy says, "sorry mister but we didn't have any money in your bank. " There are many ways to rob a bank. There are many more ways to rob God. Rob Him by not giving as we should but even more it's robbery to not give of ourselves. Do you have anything in his bank? ~Thomas
