James Cagney was a famous film star. He often played a tough guy or even a gangster. One of his movies depicted him as public enemy number one. My favorite scene was a collage of Cagney's character eating breakfast every morning with his wife. Every morning, the same food sitting at the same table over and over and over. Cagney and his costar played a trick on the director and the entire crew. As they were eating breakfast James Cagney grabbed half a grapefruit and smeared it all over Mae Clark's face. It was such a shock to the crew it was left in the movie and remains a classic. I'm certainly not expecting to rub grapefruit in your face, but sometimes we need a very fresh approach to how we participate in worship service. Sing with your heart. Pray without ceasing. Do THIS in remembrance of me. Read the scriptures as the Bereans. ~Thomas
