Key Words in John: Faith

A very important key word in John's gospel is "faith." It also appears as "believe" in several verses, but both words come from the original *pisteuo* and carries the idea of conviction that leads to action. For example, Jesus taught "He who **believes** in the Son has eternal life; but he who does not **obey** the Son will not see life, but the wrath of God abides in Him" (NASV John 3:36; emphasis mine). "Believe" in that verse is more than mental conviction that something is. "Obey" demands that action be taken upon one's conviction. Both of those words come from *pisteou* in the original language. Do you believe in Him? Then act. ~Dennis
