Every language in existence and some that are no longer used contain a word for "peace". Hebrew, Shalom; French, paix, Spanish, paz ; Latin, Pax. It can be defined in many ways. The Hebrew word and many others can mean hello or goodbye. It can be a simple greeting, as a wish for good luck or good health. It can mean something has been completed or finished. Most commonly it means the fight or conflict is over. In our world today we should always pray for that kind of peace. Prayer for the conflicts that are taking lives across the globe. Peace that man can live without fear of hostility from his enemies. Thus, making them no longer his enemies. The greatest enemy we face is that which separates us from GOD. He cannot tolerate sin. He is righteous. How can we ever be at peace with GOD? Colossians chapter 3 tells us the key ingredients. 1. Put on Charity {Love} 2. Be thankful 3. Let Christ's word dwell in you richly. That's a great way to step towards true Peace. ~Thomas
