Pennies

Find a penny, pick it up, and all the day you'll have good luck. A phrase we often hear quoted. In today's world I think people are less likely to pick up a penny because it is not worth as much anymore. I used to try and pick up change I found because I was trying to get more money. One day I heard a story about a wealthy man who picked up pennies and when asked why he said, "Because it has, In God We Trust, on it. It is just a chance for me to stop right where I am and say a little prayer and ask God if I am trusting in Him. Ever since then I look for pennies all over the place because it goes with my favorite verse, Proverbs 3:5,6. Trust in the Lord with all your heart and lean not on your own understanding. In all your ways acknowledge him and he will make your paths straight. What do you look for to remind you to put your trust in God?"
