Thank You

I just wanted to take this opportunity to let you know how grateful we are to be a part of the body at Mars Hill. My wife and I have enjoyed getting to know you, and work alongside you in some of the efforts at Mars Hill. We are beginning to build relationships with people that we will need to rely on when we have difficulties in life. I pray that you have found that at Mars Hill as well. If you have not, please call me and we can begin building that relationship!
