## Zaccheus

In Luke 19, Zaccheus was a wee little man and a wee little man was he. He climbed up in a sycamore tree for the Lord he wanted to see. And as the Savior passed that way he looked up in the tree, and he said, Zaccheus you come down. For I'm going to your house today. Most of us know this song and even the hand motions. He wanted to be able to see Jesus when he came through. His physical stature made it difficult for him. He was also a tax collector which made it harder for others to want him to be around. The one thing that was there and had been there along to help Zaccheus see Jesus was a tree. Let's Be the Tree so Jesus We can see!
