How To...

All of us are curious creatures. We like to know how things work. We watch YouTube to learn how to do something. In the book of Daniel chapter 6, Daniel teaches us how to get thrown in a lion's den! Most of us as humans would rather learn how to not get thrown in the lion's den but that would require not obeying God. Are we willing to obey God even if it means the lion's den? Worth thinking about, but Daniel did not even think about it!
