Do I make a difference?

In this life we are always asking if we make a difference. We look around, and based on our situation we don't feel like we can make an impact. In 2 Kings 5, we see the story of Naaman who was a great commander, but had leprosy. In verse two, we see a little slave girl from Israel who worked in his wife's court. She told her master to go see the prophet and God would heal him. When you read the rest of the story, Naaman did just that and was cleansed. This little slave girl, who no one even knows her name, told Naaman about God and he was saved. Did she make a difference?

Keith**
