## God's Timing

As a believer we believe the book of Genesis is real and that God created the heavens and the earth. He created the sun and moon, so we as humans could track time in our way, but time belongs to God. In 2 Peter 3:8, a day is a thousand years and a thousand years is a day to God. We would do well to give time to God and pray that we use the time he has blessed us with to bring him glory and praise. We often hear "what time is it", but we need to be reminded "Whose" time it is.

God's Timing,  
Keith
