God's Timing – Part 2

Why do things work out the way that they do? We often ask why certain things would happen in this world when they did. For some of us, years later we see the reason. In Galatians 4, Paul said at just the right time Christ came into this world. We don't know why God sent Jesus when he did but we can see the reason. Maybe we don't know God sent him when he did, but maybe we can trust God that he knows.

At just the right time
