One thing to another

When something goes from hot to cold you usually know don't you? If you like hot coffee and it gets cold, you quickly want it heated back up. If something goes from light to dark you usually notice. What about a person going from physical to spiritual? Can you notice when a person that becomes a Christian begins to see life spiritually and not as physical. Galatians 5:22 describes the fruit of the Spirit. When the Spirit begins to work in your life to produce the fruit that God desires from you, can people notice? Take a look at yourself and see what you notice about yourself.
