## Have you Fallen?

There was a commercial that came on in the 80’s that showed people that had fallen down and could not get up. It is bad when people fall and have no help to get up but the commercial became famous because they would have someone on the floor saying, “Help, I’ve fallen and I can’t get up”. They had a lifeline necklace that they could message someone and send for help. There are times in our life that we have fallen and seem like we can’t get back up. The Bible has several verses on falling and there is always a way that we can get the help we need to get back up. If you have fallen today it is not too late to get back up. Let us know how we can help and allow God to pick us back up.

Fallen, Keith
