

# The Mars Hill Messenger

February 1st, 2026

**New Adult Class:** There will be a new adult class starting in the Fellowship Hall on Sunday mornings. This is for people, 40 or older, that desire a more topical, discussion-oriented class. Steve Shock will be teaching it. There will still be the adult class in the main auditorium that will be structured the same.

**Wednesday Night Meals:** Please sign up on the sheet in the foyer.

**Pantry Items:** Soups, rice, beans, tea, coffee

**Hats, gloves, coats:** Mary Bronson is collecting cold weather gear for those in need in our community. Please bring to building before February 8th. See Mary for more details.

## Snow

Of course, you know the message today must be about snow! It is everywhere. The question went around all the time in Christian circles I saw, "What if you were concerned about Jesus coming as you were when you heard snow was coming?". When you hear snow is coming you go out and buy up all the bread and milk and the propane line was long. What if the line was that long for people coming in the building to prepare their soul for eternity. The weather gives us some idea of when storms are coming and this time they were spot on. No one knows the day or hour when Jesus will return. There will be many not ready to meet him. Take time today to prepare your soul for Jesus.

Keith
