72

What does this number 72 stand for? Let me tell you. After I preached on “Love” last Sunday, Deacon handed me a sheet of notes he took on the sermon. It had marks on the top of the page. He told me it was how many times I said “Love” in my sermon. 72!! I thought, “Wow”, that is awesome that a young man would listen all the way through and come up with that number. After I got thinking about it I thought, what if we came up with 72 different ways to show love to our spouses and the world around us. If we are constantly listening to hear how we could help show love to others in our lives. The wise man in Matthew 7 was one who listened to the word of God and did what it said and his house stood firm. But the foolish man built his house upon the sand and the foolish man’s house went splash! He did not listen to the word of God and it cost him all his effort. We do the same thing. We hear the word love mentioned 72 times but what are we doing with it. Let’s take this message today and put it into action and see the difference it makes in our lives and the lives of other people we come in contact with each day.
