## Daniel

What comes to your mind when you hear the name Daniel. For many of us, we would say “The Lion’s Den”. The way Daniel lived his life led him to the Lion’s Den. Most of the time that would be reserved for bad people who make poor choices in life, but not the case with Daniel. Daniel’s whole life was spent trying to honor his God and this was in a world that did not believe in his God. In Daniel chapter one we say a verse that to me sums up what Daniel had done with his life. When he and his friends were taken into Babylonian captivity he was to be trained in the King’s ways and eat the food from the Kings table. This would have gone against the beliefs of Daniel and what God wanted him to do. In Daniel 1:8,9, “But Daniel resolved not to defile himself with the royal food and wine, and he asked the chief official for permission not to defile himself this way. 9 Now God had caused the official to show favor and compassion to Daniel”. Daniel resolved not to defile himself regardless of the outcome. I really like verse 9 because once we resolve to do God’s will in our life we leave the door open for God to come and work on our behalf. Let’s resolve today to do the will of God regardless of the outcome and then wait and see how God works in our lives.
