Thank You

So many times, in life there are things that happen that we take for granted. Every time we get to the building the lights are on and the doors are unlocked. We take it for granted that we can show up and everything is ready to go. We forget that there must be someone that does that. Ralph and Michael Hunter are always standing at the door when we arrive and has the doors unlocked and ready to open the doors for everyone when they get there. That means they always must get there early. Thank you for always being there and having things ready for us. Thank you to Lisa Hunter for overseeing the egg hunt that we have every year. Everything goes off smooth even if it rains! We as parents take it for granted that we will show up and everything will be ready to go. We see some people get up in leadership roles and recognize them for their talents. We forget that sometimes people have talents that are the ones that people don't witness and see, but they are still important. There are so many people here at Mars Hill that use their talents for the glory of God. In 1 Peter 4:10 As each has received a gift, use it to serve one another, as good stewards of God's varied grace. All of us are created in the image of God and created for a purpose and reason to serve him. Take time and thank the Hunters for all their efforts at Mars Hill. Also take time to consider what talents you have that you could use to serve others as good stewards.
