Proverbs 31 Woman

If you read the bulletin last week you know I mentioned that I was nicknamed “Black Fang” when I was in the 8th grade. Those names always come with a purpose. What comes to your mind when you hear, “Proverbs 31 kind of Woman”. Most of us that have been in the Word of God long enough knows that is about a woman who is a follower of God and takes care of her family the way God would want her to do. In Proverbs 31:28 it says, “Her children rise up and call her blessed and her husband also; and he praises her. Today is Mother’s Day and there are many Proverbs 31 mothers here today. Mothers work so hard to serve her family that God has blessed her with. She will rise early and stay up late to get everything done. Verse 27 says, “She looks well to the ways of her household and does not eat the bread of idleness. Most mothers would say there is not enough time in the day to get done all they need to do for their family. Let’s take time today, to not only thank our mothers for the blessing she is but let’s take time to thank God for the blessing he has given us and in return let us show our thanks in the way that we serve.

Happy Mother’s Day
Keith
